

HKUST – Kyoto University

Joint Symposium on Informatics

 **2 Sep 2019 (Mon)**
 **1:00 – 6:00pm** (Registration at 12:45pm)
 **IAS 1038, 1/F, Lo Ka Chung Building,**
Lee Shau Kee Campus, HKUST

[REGISTER NOW](#)

- Kyoto University -

Resource Allocation in Network Virtualization

Prof. Eiji Oki

Professor, School of Informatics

Fluctuation and Computation in the Brain

Prof. Jun-nosuke Teramae

Associate Professor, School of Informatics

Human-like Conversational Robot ERICA

Prof. Tatsuya Kawahara

Vice-dean, Professor, School of Informatics

- HKUST -

Loquentes Machinis: Technology, Applications, and Ethics of Conversational Systems

Prof. Pascale Fung

Director, Center for Artificial Intelligence Research
(CAiRE); Professor, Department of Electronic and
Computer Engineering and Department of Computer
Science and Engineering

Big Data, AI and HI, What is Next?

Prof. Lei Chen

Acting Director, Big Data Institute;
Professor, Department of Computer Science and
Engineering

Computational Study of Brain Cancer and Clinical Applications

Prof. Jiguang Wang

Assistant Professor, Division of Life Science

Co-organizers
