

## **PG Data Release Form**

*Background: the Department of Computer Science, HKUST, maintains two databases of student information. The first database is for internal administrative use. The second is public and will be accessible, e.g., to anyone surfing the department website. The purpose of this form is to let you declare how much, if any, of your information, you would like accessible in the public database.*

I \_\_\_\_\_ (student ID: \_\_\_\_\_), hereby permit the Computer Science Department of the Hong Kong University of Science and Technology to make the following items of personal information available to the public:
