

Academic Honor Statement

On my honor, I promise:

- I will not at any time be involved in cheating, plagiarism, fabrication, misrepresentation, or any other form of copying or academic misconduct.
- I will not copy other people's work. All materials submitted for grading will be my own work. If I collaborate in study groups:
 - I will write up solutions on my own.
 - I will acknowledge my collaborators by **listing their names** in the write-up **for each problem**, whether or not they are classmates.

I understand that other cases will be dealt with as plagiarism.

- I will **not allow others to copy my work**. I understand this is **my own responsibility**.

By signing this statement, I confirm I understand that violating this promise will result in penalties including a failing grade for the course, and that the incident will be reported for appropriate disciplinary actions.
